

### REMARKS

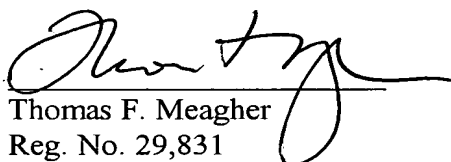

Applicants are submitting herewith two new Declarations executed by the inventors Stephen R. Forrest and Vladimir Bulovic. In the Office Action dated February 1, 2000, the Examiner pointed out that the order of the names of the inventors as listed on the patent application transmittal letter, which was filed on August 19, 1998, differed from the order of the names of the inventors as listed on the executed Declaration which was filed with the U.S. Patent Office on October 16, 1998. The newly executed Declarations submitted herewith conforms the order of the names of the inventors to the same order as listed on the patent application transmittal letter. This amendment does not add any new matter, nor does it necessitate further examination of the application.

Please contact the undersigned at (212) 425-7200 if there are any questions regarding this amendment.

Respectfully submitted,
